Higher Secondary Education  
75%

## Projects

- **Digital Payments**  
As continuation of demonetization process, the digital payment transaction activities are implemented impact the significant changes in the behaviour of consumer. There has been growth in consumers using more on digital payments for purchase of products and service except few. Currently the government announced that all restrictions for the traditional cash transaction and offers for digital payments push the consumers to adopt and implement cashless transaction for their needs. This research can contribute to the society and country.
